orbit

orbit collection

designed for effortless living

WORLD WIDE PATENTED SYSTEM
flex seating system

PATENTED

Orbit is minimalism with a twist. Its light, almost invisible frame creates a floating effect, while sleek lines and wooden armrests add warmth and a touch of elegance. Designed to look great from every angle, Orbit seamlessly blends into any space.

Clean, timeless and versatile—here's your high-end functionality topped with Pebl's signature sleekness. Orbit comes with the patented Flex System, giving you the power to reshape your space on the fly—sectional, chaise, or daybed, all just one flip away.

orbit flex

WORLD WIDE PATENTED SYSTEM
flex seating system

PATENTED

position 1
regular seating

An upright, structured seat for dining, entertaining, or a more formal setup.

position 2
deep seating

Lift the round backrest beam and flip it over. The cushions shift with it, instantly creating a deeper, more relaxed seat—perfect for reading, casual conversation, or coffee by the pool.

position 3
lounge seating

Rearrange the cushions, stretch out and unwind—ideal for sunbathing, napping, or a slow afternoon with the kids.

orbit flex system

the patented pebl flex system

WORLD WIDE PATENTED SYSTEM
flex seating system
PATENTED

Simply lift the backrest beam and rotate it to shift from regular seating to deep seating. Adjust the cushions to create a lounge setup or a fully extended daybed for total relaxation.

your weekend, your way. orbit shifts seamlessly between sofa, lounge and daybed
